## The Carlsbad Current

Wm. H. Niuliane, Pres.

AT THE RECEIPTS AT 20 per account

Official Paper of Eddy County.

### A Valuable Premium.

The Current has closed a deal for a number of dinner sets of thirall subscribers of the paper with one year's subscription at only \$3.95. These dishes are superior to the average sold for \$7.00 per set, besides you receive a credit of one year's subscription to the Cur-

With peach land netting from \$200 to \$300 per more per year, aland truck gardening even more to profitable it would seem that the Lower Peers Valley would soon realize \$500 to \$1000 per acre for lands, the same as southern Call. fornia.

who will start an auto-truck freight of sandy ground on forms that burdly business for carrying goods to the Lor purground would being tog profit Plains towns. Such a plan made to run tegular trips, say once a pushing their breed and are going to week, would pay. The first work, however, would be to repair the man county compete. This breed was sand at the Fuess ranch which bear to to Mrs. Frank Met aff of could be done for \$2,000 then the ber better date whole line to the Plains, would be passibly good for trucks made to pictures of the new Standard the Book carry, say five to ten tens of freight and which have been found a success everywhere tried

lican president vetoed the statewhether or not they desired the right to recall some unjust ignora- tellow who expects his birds to mor mus from the judges' bench who thre in time for full tries. The terds irrigation field as it is the purpossibly by the combination of cirpossibly by the combination of cirgeneral election might scratch in as a judge of some court. Had Tall any precedent, any cause to channel raises it those carnet show that his conclusions were not. Pa have a tog troop with rare and as false as his pride and conceit, then it would be different, but as surey a field without a chaperon. The the readthere never was a case of recall initiational association is in much nor that he can refer, or does refer to tation over the situation easons for not vetoing the measure a remedy than he does for vetoing it, in his veto message.

The Merchant Live Stock Company, the articles of incorporation when they receive proper care of which are published in this issue, is one of the large ent-sprises. of Eddy county and, contrary to the usual, is a well liked and popubit corporation, especially by the blints that she condered homesteaders, many of whom are aided and assisted in many ways Transcript by the Merchants. It is this broad and liberal policy that has made Capi. Merchant popular everywhere and he is transmitting a legacy to his sons of business management that will stand them to hand better than the capital in fanches or cattie that he is also wisely dividing to a certain extent ere the grim has become server. He had a reaper may call him to a better thought of the time of was a timen home. During the past few weeks the captain has been making a division among his children, but has reserved sufficient for all his needs, though he should live for the and more decoration shows that the state of the analysis of the state of the analysis of the state of the analysis of the state o many years, which it is hoped he will.

The pig headedness of a republican president of the plutocratic type may defeat statehood yet. Taft has shown by his veto of the measure passed unanimously by the house and by 53 to 18 in the senate that he puts his pig head against a whole nation. Any man who gets so puffed up in his own conceit as to essay to dictate to the whole people of a state whether or not they shall have the recall of judges in their constitution is idiot

without enough brains to grease a gimlet. The recall will be elimi. nated from the next bill and the Tweaty Millions of Bonds are Carlshad Printing Co., Publishers territories will be admitted, some day and then Arizona will amend its constitution and incorporate in it the recall of judges, which will Carlibad, N.M., Friday, August 18 1911 probably never be resorted to. The recall plank of the constitution is more the \$1,000,000 1,000 ton a not dangerous because the people day American sugar beet factory can always be trusted and again at Portiales and einch the New because it will never be used unless. Mexico Central railroad running. Indianapolis Sun it is reasonable to use it.
